USING DEPARTMENT

CTE Program

INTRODUCTION

This document represents a formal request for proposal of equine purchase for the following entities: Black Hawk College.

Black Hawk College was established in 1946 and was granted official accreditation by the North Central Association of Colleges and Secondary Schools in March of 1951. Today, Black Hawk Community College District No. 503 is comprised of portions of nine Illinois counties which include: Rock Island, Henry, Mercer, Whiteside, Henderson, Knox, Bureau, Stark, and Marshall.

Black Hawk College operates two primary campuses as well as other instructional centers throughout the District and serves a population of approximately 220,000. The College's Quad-Cities Campus is located on 149 wooded acres in Moline, Illinois, while the College's East Campus is located on a 102-acre site in Galva, Illinois. In addition to these full-service campuses, Black Hawk College operates facilities including the Outreach Center, and the Industrial Training Lab Extension Center, all in Moline, the Adult Learning Center in Rock Island, and the East Campus Community Education Center and Welding and Skilled Trades Center in Kewanee.

Safe quality horses are the cornerstone to the equestrian CTE program. Maintaining a herd of high-quality horses is increasingly difficult due to market demand. Without the provision of college-owned horses, this CTE program will be limited to students with the financial means to access a horse on their own. The ability to purchase safe and suitable horse/horses for the degree program will 1) help maintain a robust college-owned herd allowing accessibility to students of all socioeconomic backgrounds, 2) allow the college to house and care for horses that are serviceably sound instead of relying on donated horses with significant physical ailments coupled by high veterinarian expenses, and 3) continue to recruit students nationwide based on a reputation of high quality horses and instruction that best prepare them for a successful career in the equine industry. EQ 161 Western Horsemanship is required for all students in the Equestrian Science and Horse Science Technology programs.

CONTRACT PERIOD

The contract is for a one-time purchase. Up to two (2) horses may be purchased.

In the event of termination, the Vendor shall be obligated to complete all of its obligations and responsibilities under the terms of this proposal for job tickets pending in process.

3. POSTPONEMENT OF OPENINGS

A bid opening may be postponed by the College, even after the time scheduled for bid opening, if the College has reason to believe that the bids of an important segment of bidders have been delayed in the mail, or in the communication system specified for transmission of bids, for causes beyond their control and without their fault or negligence (e.g., flood, fire, accident, weather conditions, strikes, or College equipment blackout or malfunction when bids are due); or emergency or unanticipated events interrupt normal College processes so that the conducting of bid openings as scheduled is impractical. In the case of urgent College requirements precluding the communication of an addendum, the time specified for opening of bids shall be deemed to be extended to the same time of day specified in the bid on the first workday on which normal College processes resume. In such cases, the time of actual bid opening shall be deemed to be the time set for bid opening for the purpose of determining "late bids". The College shall maintain records in the bid file explaining the circumstances of the postponement.

All documents shall be completed and submitted as requested by the College. No claim for errors or omissions in the proposal will be considered. Upon selection of the Vendor, Black Hawk College and the Vendor will enter into an appropriate contract setting forth the terms and conditions of the parties' rights and obligations.
