

For students planning to major in:

**Agribusiness**

**Agricultural Sciences**

**Agricultural Mechanization**

**Agricultural Education**

Agriculture includes a variety of specialties: Agribusiness, Agricultural Sciences (Animal Sciences, Crop Science, Soil Science, and Horticulture), Agricultural Mechanization and Agricultural Education. Not every school offers every specialty. Be sure to select courses in consultation with an Agriculture advisor.

Students who have not selected a transfer school but plan to transfer in Illinois may wish to follow the Illinois Articulation Initiative (IAI) Agriculture Majors Panel course recommendations for specialties at <https://ittransfer.org/courses/majors/agriculture/>. BHC courses approved by the Agriculture Majors Panel are:
